The above letter and its enclosures are submitted

The DMO., S. Kanara examined the ex-S. man who has permanent loss of the nerves which prevents the proper functioning of the limbs. The DMO recommends that the ex. S. man may be directed to consult the Orthopaedic Specialist at Madras for further treatment.

The D&ABd. has recommended a lump sum grant of Rs 200/- from the M.A.C. fund to meet his to and fro travelling expenses and other incidental

incidental expenses for consulting the Specialist.

No charges need be paid for consulting the Specialist in the G.H., Madras. Only travelling expenses need be paid. The DRCS. will pay such expenses only in connection with sanatorium admission & discharge. Another point is: Why cannot the DMO. himself examine him thoroughly and treat him in the H.Qrs. Hospital? Has any attempt been made to give him treatment there?

If the ex.S. man is to go over to Madras, it is submitted for orders whether a minimum estimate of charges may be called for.

Please ascertain why it is not possible to have him treated at the Head Hospital Bangalore, and also call for an estimate of the minimum expenses for journey to Madras & back..

Letter No 644/51/2 Dt 15.5.57 from the D.S.S.A.Bd, Bangalore.

The secretary has reports that the DMO was again consulted in this matter. He says that there are no facilities to be given, the patient to receive necessary treatment at the H.Q hospital as the ex.S.man suffers from permanent loss of hearing. He has furnished an estimate of the expense for the journey from Madras & back.

~~For orders whether the case may be forwarded to the D.R.S.S for favourable Consideration.~~

The estimate (for Inter-class travel etc) comes to Rs. 68.6-0. The journey is for Consulting

Consulting the Orthopaedic Specialist in the Genl. Hospl Madras. The I.R.C.S. grants travelling expenses in connection with admission to, and discharge from Sanatorium. As the amt of the Estimate is rather high, it cannot be met from the M.S.M.B. Fund. As the DMO has stated there are no facilities for treating this type of patient in this hospl, it seems as though the journey is inevitable For orders whether, as a special case, the I.R.C.S. may be addressed for payment of journey expenses of Rs. 68.6 ... | A
